***Response to Amendment***

The amendment filed on October 4<sup>th</sup>, 2004 under 37 CFR 1.312 has not been entered. The abstract and claims will not be entered as they do not fulfill the requirements of 37 CFR 1.171(f) which states:

(f) The specification must commence on a separate sheet. Each sheet including part of the specification may not include other parts of the application or other information. The claim(s), abstract and sequence listing (if any) should not be included on a sheet including any other part of the application.

In this case portions of the claims and the abstract appear on the same page.

It should further be noted that the claims do not have the appropriate identifiers as required by 37 CFR 1.121(c). Furthermore, the claims have been amended by Examiners Amendment and should not be resubmitted by the applicants in the 312 Amendment.

The drawings will not be entered due to the comments made on Notice of Draftperson's Patent drawings Review Form-948 attached herewith.

The specification will not be entered until the drawings are in the appropriate format at which time the changes to the drawings and specification will be entered together. Applicants should resubmit changes to the specification and drawings for reconsideration after addressing the outstanding issues. Applicants are advised to refer to the USPTO website ([www.uspto.gov](http://www.uspto.gov)) for rules regarding 312 Amendment submission and procedures.
